***Note from Supervisor Dave Seeley:

"Hi Susan.Thanks for pointing this out. You are correct that the resolution should have said HH-South and HH-Center. I spoke w/ Bob and Town Attorney. We have already spoken w/ State DOT and the resolution can be amended at a subsequent Board meeting. The amendment will remove Huntinton Hills- North and replace it with Huntington Hills Center.I am informed that this wouldn't have been updated in the State's inventory until the Fall, so there is no immediate need. We will still maintain the same roads the same way we have for (at least) the past ten years.

I will make sure we let you know when that subsequent amendment is adopted."
